Wonder Wear

The Kiwanis "Wonder Wear" table at the school district event on August 16th is going to be looking pretty sharp. Thanks to the club's supporting donation and the donations of many people at WalMart, we have a mound of underwear and socks to give away. Imagine the smiles of those kids that get some new stuff to go along with their school supply! ~ Patti Peterson

Blackberry Festival Committee

The BBF will be Labor Day weekend Saturday, Sept 3rd to Monday Sept 5th. Set up will be on the afternoon of September 1 and take down, time to be will be 7AM on Tuesday the 6th. We still have lots of shifts available for club members. The Key Club has done a good job of signing up for the Pie cutting and Ice Cream positons.

We are currently in need of members with food handlers permits. We must have 1 person at all times in the tent. We should have several people with permits at one time so we are able to take breaks and not be concerned about meeting this requirement.

Members who have committed to being cashiers must be able to work the SQUARE. The process of learning how to use the device is not too difficult but vital. We have used the SQUARE for the past 2 years and it has been very successful. Cash is becoming a thing of the past and we do not want to turn any sales away because the customer does not have cash. If you have an I-pad or similar device please consider letting us use it during the festival we need to have at least one device at all times. PLEASE contact Bev if you have a device you are willing to lend to the club for the weekend.

The signup sheets will be available at every meeting until the festival. At our Aug 18th meeting we will have questions and answers about the event and we will attempt to train the individuals who will be cashiering.

WONDERWEAR FOR SCHOOL

From the inside out, shouldn't everyone feel like a superhero? We believe that each child deserves to enjoy the hygiene and personal comfort of clean underwear.

Our gift to each child is a package of new underwear and socks. We hope those children will wear them and give their best effort at school and at home to be a superhero in our community.

This program honors Gary Wise, former Kiwanis member and President, who loved all children.

Kiwanis Project Coordinator, Beverley Luckey-Short
Please join us and help make children feel like Superheroes!
THANK YOU FOR MAKING A CHILD'S SCHOOL DAY A LITTLE BETTER!!!

Kiwanis Trivia

In order to promote friendly competition and more knowledge about Kiwanis Darroll will be submitting Kiwanis trivia questions for the newsletter. The first person to email Darroll the correct answer without copying their email to anyone else, will win a ceramic bowl (hand made by yours truly) unless they have won this trivia competition two months in a row. August newsletter trivia question is as follows:

What was the Kiwanis Club, with collegiate backing, that first allowed women to join and what was the year?
