## What's Happening?

Just a reminder that club elections must be completed by the end of May. Can you step up to be our next President and President-Elect? Served before, how about using that experience to serve again. Mark your calendar now for the important dates noted to the right. This is the first newsletter experimenting with a new format. Your input is welcomed on formatting and frequency. For now, we will continue monthly newsletters with alternating issues deleting "boiler plate" and featuring recent photo moments from our club activities. Patti
